scholarships for european postgraduate studies

Application Deadline: **April 7th**

The SG/OAS, through the Department of Human Development, Education and Employment (DDHEE), supports its Member States in the creation and execution of programs that promote human development at all educational levels.

The DDHEE works to strengthen democratic values and security in the region, under the framework of regional integration. It also promotes training opportunities for citizens, with the purpose of supporting the efforts of the Member States to improve the quality and equity in education.

The DDHEE highlights the support from the Member States - through their diverse cultures - to the economic, social, and human development of their peoples, by supporting citizens of the Americas to access knowledge and skills through educational trainings. These opportunities contribute to the improvement of the living standards of its citizens and those of their communities in the region

The European School of Management and Business -EUDE Business School- is an international postgraduate training institution, recognized by the main Rankings and international media; With 25 years of academic evolution, it has trained more than 110,000 students of many nationalities. These are professionals with work experience, entrepreneurs, disruptors, innovators and leaders with a global vision willing to change the world.

Evaluation and Selection Criteria

An EUDE Business School Scholarship Selection Committee will meet to review and select the applications received and select the scholarship recipients until all the available scholarships are assigned. Among the criteria taken into consideration for the selection of the awards for this grant are:

- Score awarded to the student by the EUDE Evaluation Committee (academic profile, merit and academic credentials, social/volunteer experience).
- The geographical distribution of the candidates, taking into account the most important needs of the OAS Member States, according to the Human Development Index reported by the United Nations Development Program (UNDP).
- Place of origin of the candidate
- Gender component
- Number of applications by country of origin of applicants
- Area of study (e.g. science, engineering, humanities, etc.)
- Humanitarian situation in view of the current circumstances
- The potential impact of the applicant after the completion of the desired program.

Responsibilities of the participant

The scholarship recipient will be responsible for covering the remaining percentage of the total cost of the program of study, not covered by the scholarship. Any additional expense incurred by the applicant to be admitted to the program is not reimbursable, nor does it imply an acquired right to receive the OAS-EUDE scholarship.

- The scholarship recipient will be responsible for assuming all other expenses required by the program (for example: issuance of certificates or records, admission exams, graduation services, degree issuance, legalization of documents, etc.).
- The OAS will not provide individual feedback on why an applicant was not selected for a scholarship.
- Neither the OAS nor EUDE take any responsibility derived from the acceptance or not of degrees or diplomas of the educational entity, within the country of origin of the participant. If you want to know how to legalize, homologate and/or validate the degree obtained from EUDE in your country, we recommend that you request information about it from the Ministry and/or Secretary of Education in your own country.
